Message from the Board

Silver Lakes has always been unique for many reasons. One of the most special is the involvement of our homeowners in assisting the Board of Directors through membership in various committees. Committee membership has always been critical because of the

direct feedback the board gets from the important work our committees perform. In recent years many committees were disbanded for various reasons. The current board intends to bring back many of the committees to once again assist the board in their work to im-

prove our community.

At the last open board meeting, the board approved the formation of three new committees. The Restaurant Committee, the Recreation Committee and the Budget Committee. The board is requesting all Silver Lakes homeowners to apply for positions in any or all of these important committees. Applications for committee membership can be picked up at the Association office.

The Restaurant Committee's responsibilities will include the development of various types of questionnaires, and other feedback tools to help identify ways to bring more homeowners to the new restaurant and bar. Then to assist in the implementation

of approved changes.

The Recreation Committee's primary role will be to assist the board in determining the optimum use of the Silver Lakes recreational facilities and to review and provide input on the most effective use of the funds allocated for our annual special events budget. This committee will work with the board and all the recreational sub committees to make our recreation amenities even better.

The Budget Committee will once again provide HOA homeowners the assurance that the monthly Silver Lakes Profit and Loss and Balance Sheet financial statements are reviewed by not only the board but by our homeowner members at

large. The board feels that an open monthly review of the Associations financials benefits everyone. For this committee, it would be helpful (not essential) if candidates had some experience reading and interpreting financial documents.

The feedback the board receives from homeowners is always both positive and negative. Please take this opportunity to join a committee and assist the board in eliminating the negative and reinforcing the positive. The Board of Directors looks forward to working with everyone that decides to take some of their valuable time to help make our community better than ever.

We monitor use and operation of recreation facilities and Common Areas to ensure that all residents are in compliance with the rules and regulations regarding the use and enjoyment of these facilities. Our goal is to encourage every resident to understand the Community rules and standards and to comply, voluntarily, so that the Association is not forced to compel compliance or issue fines for violations. In addition, consistent, diligent code enforcement, and monitoring the activities of Silver Lakes residents serves as a deterrent to crime and criminal activity.

Notwithstanding the Association's code enforcement efforts, the Association can never be completely crime free. It is therefore the responsibility of every Silver Lakes resident to take whatever steps they deem necessary to safeguard and protect themselves, and their property. The Association will continue to disclose any information regarding crime, criminal activity or community safety; however, residents cannot and should not rely upon the Association to protect you from loss or harm.

Residents must safeguard their own property with such precautions as keeping doors locked; requesting identification from contractors or service providers; installing a security system; carrying insurance; etc.

The Association's Code Enforcement personnel are responsible for patrolling ONLY the Association Common Areas, various Association properties and facilities, and to observe and report on service calls, suspicious activities or violations of the Association's Rules and Regulations, where applicable.

TRANSITION

As summer approaches, the transition from Ryegrass to Bermudagrass this year will be gradual as the golf course will not be overseeded this fall. Because of this, we will continue to promote a dual variety turf base to provide optimal playing conditions. In this dual variety approach the cool season Ryegrass will perform well in the heavy shade areas and the Bermudagrass will perform well in the open, sunny areas.

Bermudagrass needs 120 days of optimal growing conditions to remain healthy and produce energy it needs to survive the winter. To achieve this, we go through transition, which is the process of promoting the growth and health of the Bermudagrass base while reducing competition from the winter Ryegrass.

Transition can be achieved through several different procedures. One procedure is the use of chemicals which will gradually kill the cool season Ryegrass. These chemicals usually take between three and six weeks to remove all of the cool season grass. The benefit of this procedure is it allows for the complete elimination of the Ryegrass allowing for no competition. Unfortunately, this process will also expose and highlight any areas with thin or no Bermudagrass.

Another procedure, which is more conservative, is to gradually transition through maintenance practices such as: reducing mowing heights, reducing irrigation inputs, aerification, and fertilizer applications. This option is ideal for maintaining desired playing conditions.

Lowering of mowing heights will start in mid-March and continue until May. By gradually lowering mowing heights we reduce the amount of shade allowing more sunlight to reach the soil and the emerging Bermudagrass leaves without compromising playability. This allows the soil temperatures to rise and the Bermudagrass to start producing food. Reducing irrigation inputs will cause the Ryegrass to gradually thin further allowing the sunlight to warm the soil and feed the Bermuda. Aerification will continue the process of slowly removing the Ryegrass and promote the growth and health as well. Fertilizer applications after aeration and throughout the summer will further promote the growth and health of our Bermudagrass base. Lastly, a spring application of turf pigment will help retain some heat in the plant resulting in a faster green-up of Bermudagrass in the spring. The benefit of this process is the transition is slow with little disruption to course conditions. If there are areas where the Bermudagrass base is thin, the Ryegrass will hopefully hold on and maintain turf coverage while we nurture the Bermudagrass into summer conditions.

As always, we hope to see you out on the course!

Fire Department Disclaimer

In an emergency please call 911. In the past we have received calls for emergencies on the fire station business line. Doing this is dangerous and can delay our response to your call for help.

When you call 911 your address is automatically provided to the dispatcher. If the phone line was to go dead or you were to become unconscious we would be unable to locate the origin of the call. Often times we're not in the station due to emergency responses, training, and fire department business. Calling the station direct slows down our response and we prefer you to call 911.

The best part of the tournament was Lia Ditulio getting a hole-in-one on 4 East with her 5 hybrid!

Congratulations Lia!
Ladies, get ready to use those free drink cards!

After golf we all went into the Terrace Room and had a nice lunch followed by our general meeting. TJ Johnston shared a few of our local rules that ladies had questions about. Be sure and refer to your membership roster book as the local rules are posted in the back of the book. There are quite a few which makes it hard to remember, so this is a good resource.

The Birdie Tree is alive and well for 2024 thanks to TJ Johnston. She takes charge of the tree so let's all make some birdies, eagles and holes-in-one. Let's fill that tree.

We welcomed our new members for 2024. They are: Janice Sloma, Linda Fidler, Lisa Negrete, Amy Mace, Amanda Dunagan and Marla Watkins. Our club needs to grow, so if you see someone new out on the course, tell her about our club and invite her to play on Tuesday.

Bev went over the upcoming tournaments and the High Desert Challenge, which will be completed in April.

Kristy Kremer

general meeting minutes are posted in the Player's Lounge if you would like to review them.

President's Cup matches are still being played so results will be in the next *Ledger*.

Member Guest Tournament is right around the corner. The board is working hard to make this a great weekend. The theme this year is "**Flower Power**". Our goal is to have a full field. If you are a member, be sure and get your guest lined up. If you need a guest, let a board member know. We will match you up if need be. Applications are available in the Player's Lounge.

Most Improved for February: Kristy Kremer. Congratulations Kristy! Great job!

February's Super Bowl car run from Dead Man's Point on Hwy 18 to Peggy Sues Diner in Yermo was enjoyed by 100 classic cars and trucks. They met 40 more cars at the diner for a great buffet breakfast.

The Sunsetters had an opportunity to go to Crossed Eyed Cow Pizza in Oro Grande for lunch and participate in the filming for the America's Best Restaurants website program. 15 cars, trucks and hot rods were parked along Route 66 to greet the film crew. Thanks much to Donna and Jim, the owners, for inviting the Sunsetters.

The historic town of Daggett asked the Sunsetters if we could attend their local swap meet and put on a small car show. 12 cars and trucks were there, and 3 trophies were presented.

Gary and June won 1st place with their 1936 Chrysler street rod and Bob and Anna won 2nd place for their 1958 Ford Ranch Wagon. If you have never visited Daggett, do yourself and your family a favor and plan a day trip to visit and learn about local history. Contact Mark Staggs at 760-927-9155 for more information.

Upcoming car shows and events that we will be participating in include the following:

4/6/24: Cruise Night at the Flame, High Desert Ford and Mustang 5-7 PM.

4/12/24: Over the Hill Gang 2nd Friday of the month cruise night at Charley's Cheesesteak.

4/13/24: Oro Grande Days and Car Show.

4/20/24: Wicked Kustomz 2nd annual car show.

4/18-24/24: River Cruisers 24th annual Hot Rods and Harleys car show at the Avi Resort and Casino in Laughlin.

4/26/24: Sunsetters 4th Friday of the month cruise night at Sunsetters Landing.

4/27/24: Car display at Harout and Becky's Armenian church.

4/26-27/24: National Street Rod Association West Coast car show in Bakersfield.

5/4-6/24: Arizona Route 66 Fun Run, Seligman to Golden Shores.

5/11/24: High Desert Car Club Council car show at the Chevrolet dealership.

If any of these events or car shows are of interest to you and you have a special interest, classic, antique, hot rod, or street rod car or truck, the **Sunsetters** meet the 2nd Thursday of the month at the Lion's clubhouse on Helendale Road at 6:00 PM. Contact Bob Ward at 951-318-5816 for more information. Please join us.

PBIS Character Focus ~ Safety - Our mission here at Helendale Elementary School is to ensure that our staff and students have a safe learning environment. This year we have had to implement additional safety procedures that included temperature checks, hand sanitizing in and out of rooms, as well as entering the campus, social distancing and the wearing of face masks. Additionally, students have their own supplies. While additional safety protocols have been added, we still need to remember that it is everyone's responsibility to make sure that we have a safe and clean campus. Placing items in the trash when we see it will also keep our school clean. Ensuring that backpacks are secured under the desks or in an area where others will not trip over them is another way. A safe learning environment enhances everyone's ability to learn.

Students Counseling Services ~ Parents, please contact vmarks@helendalesd.com if your child is in need of any counseling services. If you need additional information, please contact Mrs.

From the Director of Golf

by Todd Edwards

760-245-7435

The weather is finally starting to warm up and the golf course is starting to show signs of spring conditions. The upcoming spring and summer schedule have many events scheduled and we hope to see lots of players signing up and participating.

As we move into the warm weather, we want to remind everyone that the dress code for the golf course will be strictly enforced.

MEN

- (1) Shirts must have collars and sleeves. Turtlenecks and mock turtleneck shirts must have a minimum of ¾" collar. Tank tops and T-shirts are prohibited.
- (2) Blue denim jeans, or shorts are prohibited.
- (3) Shorts must have at least a fourteen (14) inch out-seem not including waistband or no more than six (6) inches above or below the knee. Swim trunks, jogging shorts, bike shorts, and tennis shorts, baggy shorts below the knee and cutoffs are prohibited.
- (4) Shoes with metal spikes, big knobby sole shoes, flip-flops, and any similar type shoes are prohibited.

WOMEN

- (1) Shirts must be tailored for golf. Turtlenecks and mock turtle-

neck shirts must have a minimum of ¾" collar. Tank tops and T-shirts are prohibited.

- (2) Blue denim jeans, or shorts are prohibited.
- (3) Halter-tops, tops with spaghetti straps, and/or bare midriff tops, and swimsuit tops are prohibited.
- (4) Shorts must have at least a fourteen (14) inch out-seem not including waistband or no more than six (6) inches above or below the knee. Swim trunks, jogging shorts, bike shorts, and tennis shorts, baggy shorts below the knee and cutoffs are prohibited.
- (5) Shoes with metal spikes, big knobby sole shoes, flip-flops, and any similar type shoes are prohibited.

The dress code applies whether you are a member or a guest and are out to watch, play, or practice. If you have any questions regarding the dress code please do not hesitate to call the golf shop and ask. Staff would much rather do this than have to bring any infractions to someone's attention after they have arrived at the course.

On behalf of the pro shop staff, all our golfers, and their guests I would like to thank everyone in advance for their help in and compliance with our dress code.

Until next month....

Greetings from your Silver Lakes Craft Guild!

The annual membership luncheon was a huge success! Jean Certo and her committee set up a theme around those cute little gnomes that are popping up everywhere these days. Several lucky luncheon guests took home garden gnomes, and everyone took home a little gnome keychain decked out in diamond dot sparkles. Thank you to Bill Heppe for provided the perfect blend of background music, and to Karianne and the restaurant crew who prepared and served the yummy salad and drinks. As is tradition, we did some fund raising, and a big thank you to Adelita's, Bosko's, C & C Kountry Café, Gridiron Pizza, Lakeview Spa, Native Coffee, Silver Lakes Hardware, Silver Lakes Market, Silver Lakes Nails & Spa, and The Red Hen Restaurant for their generous donations. These are all great businesses who support our community in so many ways. I hope everyone will get out there and support

them as well. For me, the high light of the event was listening to our amazing local violinist, Veronica Rodriguez. She played a wonderful selection of popular songs and melodies. We are so lucky to have her in our community.

At the March meeting we officially elected board members for the 24-25 year: Vicki Heppe, President; Maria Casanta, 1st Vice President; and Kathy Baker, Correspondence Secretary. Nancy Carnes and Donna Hallmark were re-elected to their positions as Recording Secretary, and Treasurer respectively. In other business, nominations were opened for the position of 2nd Vice President. Congratulations to all of you and thank you so much for serving.

We also bid farewell to our out-going board president, Linda DeWald. Linda began her tenure in 2020 during the pandemic and kept us laughing and informed through the recovery process. She is moving soon, and I'm sure she will be missed.

In April, following the swearing in of the new board members, we will sit down to our annual appreciation luncheon which is hosted by the outgoing board members. We are looking forward to a new year filled with opportunities to learn, share, laugh, and enjoy each other's company.

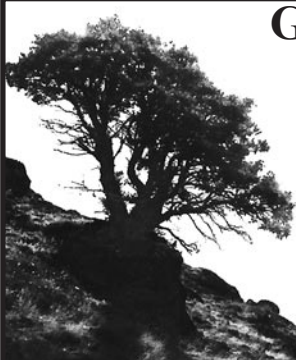

Ceramics, Glass, Sewing, Needlepoint, Cross-Stitch, Quilting, Knitting, Crochet, Embroidery, Painting, Diamond Art, Teddy Bears and blankets, workshops, and so much more!

We hope you will join us.

The Guild meets on the 2nd Thursday of every month in the Clubhouse at 10:00 am. Refreshments and social time begins at 9:30 am. Membership dues are \$25.00 a year.

SILVER LAKES SOCIALS

BY JASMINE SHIREEN KRESH

'Stay, Hit me, No more bets,' was heard throughout the Ballroom for the 1st Silver Lakes Socials Casino Night.

The Ballroom was decorated classy to match all the patrons that came dress to impress. Right when you walked in you knew this was going to be a fun night. On the right side was a fabulous photo booth that made everyone look like a movie star. The tables were glammed up all fancy with the DJ, Kipp in the corner ready to play any song you requested.

There were heavy appetizers that were more like a nice dinner to enjoy as well as cupcakes to sweeten the mood. But the real reason why the place was crowded was for the action in the back of the room.

Roulette, Black Jack and Poker...need I say more? Your entry ticket came with a lot of funny money that you would turn in for chips to play your game of choice. After playing you would then turn in your chips for raffle tickets. And if you did not want to gamble you could just turn your funny money into raffle tickets as well.

What do you do with raffle tickets you ask? On the side of the Ballroom were many items that you could put your ticket in to try to win one of the variety of prizes. There were gift cards, paintings, alcohol, and gift baskets to win.

I think everyone just enjoyed gambling for fun and socializing. The tables and the dealers were very professional and as for our first Casino Night did not hear one complaint. Next year's date has been set for February 1st and there will be more tables to enjoy.

April 17th event will be "PAINT NIGHT," at Dempsey's 6:00pm. Our very own, Tiffany Eason, will guide you to paint the most voted pictures out of the three that was posted on Facebook. The cost is \$25 which includes all the painting accessories. There will be 50/50 and door prizes and table snacks as well.

Any questions or suggestions contact Michelle Tacoronte at P.O. Box 2786 or at 14894 Bluegrass Dr. Contact Michelle at 818-427-3053 or Tiffany Eason at 760-953-4904 or drop off at 26234 Corona Dr.
