Per Silver Lakes Association Architectural Guidelines, all work must be completed within six (6) months of approval. Failure to do so may result in forfeiture of deposit(s). Any changes to the approved plans require additional Environmental Control Committee (ECC) approval. Plans are approved subject to San Bernardino County Building and Safety codes, and proper approvals must be obtained from the County when applicable. The Association, ECC, and Board of Directors do not guarantee engineering design, structural integrity, or safety of submitted plans.
